

JHMC

MAR. 12, 2022

Brought to you by IMSA Mu Alpha Theta, JHMC brings a free, fun, and interactive math experience to 7th and 8th graders. We will virtually hold a series of individual, team, creative, AND speed competitions for students with varying math skills and interests

1 Individual

Students work independently to finish a number of problems within a given amount of time.

2 Team

Students work in teams of 4 to finish a number of problems within a given amount of time.

3 Creative

Students work in pairs to solve questions that require thinking outside of the box.

What is IMSA?

The Illinois Mathematics and Science Academy (IMSA) is a public highly ranked boarding secondary school open to students from across Illinois, with a mission to "ignite and nurture creative, ethical, scientific minds that advance the human condition." For the past 32 years, IMSA has graciously sponsored the Junior High Math Contest.
